Required Immunizations EMT & Allied Health Courses

Influenza: This vaccination is required for all EMT and Allied Health (MA, EKG Technician, and Phlebotomy) students and must be current during flu season (October to May). It must be received at the beginning of the season.

Hepatitis B: All Paramedic students will need documentation that they have received this three (3) part injection series, or at a minimum have started the process. It is strongly recommended that all paramedic students receive this vaccination. A student may opt not to have this vaccination; however, a signed and witnessed affidavit of waiver must be completed and kept on file with American Professional Educational Services. Documentation must be attached to the physical release form.

COVID-19: The COVID-19 vaccination is STRONGLY recommended for all EMT and Allied Health Students (it is REQUIRED for Paramedic students). Any student who has not been vaccinated and/or doesn't provide proof of vaccination, must wear a facemask at all times while in the building (except while eating or drinking).

PHYSICAL EXAM VERIFICATION FORM

(Student's Name Printed)

The student named above was examined and found to be in good physical condition, free of communicable diseases and is physically able to participate in EMS & Allied Health training programs based on the listed Student Performance Skills.

Restrictions (Visual, audible, sensory, or motor function)

Date Physical Exam Completed: _____

Practitioner Name (PRINTED): _____

Signature: _____
